## BABY STROLLER

2026NEW

A close-up photograph of a hand holding a baby's foot, with a white logo and text overlaid. The background is a soft, textured white fabric, possibly a blanket or bedsheet. The hand is positioned in the center, with the fingers gently holding the baby's foot. The lighting is warm and soft, creating a gentle and intimate atmosphere. The logo consists of a stylized heart shape with a checkmark inside, followed by the word "welebo" in a lowercase, sans-serif font. Below this, the phrase "WE LOVE BABY" is written in all caps, flanked by two horizontal lines.

WE LOVE BABY

# ABOUT

# US

**Henan Weilebao Maternal and Child Products Co., Ltd. specializes in one-stop solutions for safe baby travel. With 10 years of experience in the maternal and child industry (since 2017) and over a decade of mature service expertise, our company integrates R&D, production, sales, and service. We run modern, standardized production with full lines and strict QC.**

Our company provides ODM (original design manufacturing) and OEM (original equipment manufacturing) services and holds 64 professional certificates in the industry. All products are certified to international standards such as EN1888, ASTM, and 3C, fully complying with EN, CE, ASTM, and other global quality requirements. We can also cooperate with customers to make certificates that can meet the local standards. Now our strollers have good sales performance in national market with Sales revenue of RMB 230 million. Whether selecting the current products from our catalogs or designing according to your own design, we ensure the excellent performance. Meanwhile We offer you the following professional services: short lead time (20–25 days for mass production), free design support, OEM/ODM service, free packaging for full container orders, and reliable after-sales service.

Our products sell to China, North America, Russia, Europe, Australia, and Southeast Asia, partnering with 50+ distributors in 70+ cities over the past 10 years. We offer cost-effective pricing, pre-order samples, and responsive service—welcome global inquiries.
